LB 703
LR 227

for a bit here. Now we are back to the bill. Mr. Clerk.

CLERK: Mr. President, Senator Newell would now move to amend the bill. Senator Newell withdraws his amendment, Mr. President.

PRESIDENT: The amendment is withdrawn.

CLERK: I have nothing further on the bill, Mr. President.

PRESIDENT: Senator McDonald, anything further on the bill?

SENATOR MCDONALD: Mr. President, members, I just want to say that I think the Chambers amendment strengthens the bill and what it is doing, what it did originally was to add the word "rehabilitation" which was not in the statutes along with "site acquisition" and "redevelopments" and I would also like to say that I would agree to hold this on Select File until some amendments can be worked out on it, depending on what the Urban Affairs Committee does with the bill that they have. So with that, I would urge you to move the bill.

PRESIDENT: Thank you. Incidentally the Chair announces the Call is raised. Is there further discussion on LB 227 (sic.) If not, all those in favor of advancing the bill vote aye, opposed vote no. Have you all voted? The Clerk will record.

CLERK: 30 ayes, 0 nays, Mr. President, on the motion to advance LR 227.

PRESIDENT: LR 227 is advanced. LB 703.

CLERK: Mr. President, LB 703 was a bill introduced by Senator Chambers. (Read title.) The bill was read on January 4, referred to Judiciary. The bill was advanced to General File. I have no amendments to the bill.

PRESIDENT: (Gavel) Order in the Chamber please. The Chair recognizes Senator Chambers.
